# WELCOME TO SANDOWN PARK

Whether it's fairgrounds and fireworks, or festivals and outdoor activities to inspire and challenge your teams, at Sandown Park we are well equipped for all types of outdoor and team building events.

We offer a range of onsite activities including dry-slope skiing, golf, foot golf, go karting and sky walking through the tree tops. Working with specialist partners we can create a variety of different types of events.

Perfectly located in Esher, Surrey, Sandown Park Racecourse has magnificently maintained grounds and beautiful scenic views of Surrey and the Capital. It is easily accessible by road, rail and public transport, with ample car parking facilities and there's even onsite accommodation.

Team building activities can be incorporated as a part of a bigger business conference or as a stand alone event.

Golf is a perfect team building activity designed to cater for all abilities and add some exciting competition to your corporate event. Holding your team building event at Sandown Park Golf Centre will ensure that your staff enjoy a day that they will never forget. Our golf games promote healthy competition between your employees and can encourage teamwork while creating an enjoyable day out. This is a great way to learn a little about golf in a fun and relaxed environment.

Head to your bespoke 'fun zone' at Sandown, consisting of 3 to 5 golfing activities (depending on time) which will test all aspects of your group's golfing skills. Driving irons, pitching, chipping and putting will all be demonstrated by our golf professionals, and then taught to your group with time to practice.

Golf not your thing? Then why not try FOOTGOLF. Everyone can kick a football but not everyone can swing a club. Our 9 hole course is sure to appeal to everyone young and old male or female. The game is simple just kick the ball into the hole, the team or player with the fewest kicks is the winner. Best of all the game can be completed in around an hour.
